

# You CAN ASSIST

In throwing off the grip of the Shoe Machinery Trust by buying "QUEEN QUALITY," "BOSTON FAVORITE," "GOLD MEDAL," "LUXURA," "COLUMBIA" or "DOROTHY DODD" shoes, retailing from \$2.50 to \$5.00, and made on the Anti-Trust Shoe Machinery.

## EVERYONE ASSIST IN DEFEATING THE

# Shoe Machinery Trust

You are taxed right and left by Trust Methods, and on shoes alone you pay many millions of dollars per annum to support the great *Shoe Machinery Trust*.

### How Can You Avoid It?

Ask your Shoe Dealer if his shoes are made on the "WONDER WORKER" Shoe Machinery. This Machinery is independent of Trusts — it is sold outright — no taxes levied upon the consumer.

The "WONDER WORKER" machines are so modern and so superior to the obsolete, antiquated machines of the Trust that by purchasing shoes made on these machines consumers not only save contributing to the Trust, but many, many millions of dollars per annum.

If the above brands are not sold by your dealer write to the

**Thomas G. Plant Company,**  
Boston, Mass.
